Councilmember Smolar advised that in 2009 the City purchased approximately four (4) acres of property adjacent to the City's Recreation Center with matching SPLOST funds received from the County in the amount of \$35,000. The property was originally purchased for use as walking trails and a picnic area. The City has since approached the County regarding use of said property to build a new City Hall. Councilmember Smolar read a letter drafted by the City Attorney requesting additional SPLOST funding from the County to aid in the completion of the project. Councilmember Smolar requested that the Council make a motion to take the steps necessary to move forward with securing the location and obtaining SPOST funds available from the County to build the new City Hall, while following all applicable guidelines.
